

# Hold me now - Kirk Franklin

The spring of April's gone  
The leaves have all turned brown  
The children are all grown up  
And there's no one around  
I'm looking over my life and all the mistakes I made  
And I'm afraid  
Afraid

Somebody told me that You would wash all my sins  
And cleanse me from the scars that are so deep within  
So I'm calling to You  
If you can hear me  
I don't know how

I was wondering can you hold me now

You are the only one that's patient when I fall  
Your angels come to save me every time I call  
You don't laugh at me when I make mistakes and cry  
You're not like man  
You understand me

See people change one day  
They don't like you the next they do  
I wish that everyone could love me just like You  
So here I am this sinful man peace won't allow

I was wondering can you hold me now  
I was wondering can you hold me now

Oh, Oh, Oh, Ohoh  
Oh, oh, oh, oh,oh,oooh / oh,oooh

To every broken person that may hear this song  
To every boy or girl that feels their smile is gone  
I know exactly how it feels to lay in the bed at night  
And cry (x2)

Don't you worry God is faithful and He cares  
About the tears you drop and the pain you feel He there  
When you are weak that's when he's strong  
Even though you don't know how

Yeah, yeah, yeah / Yeah, yeah, yeah (A) / Yeah, yeah, yeah (S)  
God can and he will hold you now (x3)

Don't you worry he can hold you now  
Oh, oh,oh,oooh  
Oh, oh,oh,oooh

*A l'aube de ma vie,  
Les enfants ont grandi  
Je regarde ma vie passée, mes  
erreurs et j'ai peur...*

*Quelqu'un m'a dit que Tu pouvais laver  
mes péchés  
Et panser mes blessures  
C'est pourquoi je t'appelle*

*Toi seul as la patience de me relever  
quand je tombe,  
Tes anges viennent me sauver quand  
j'appelle  
Tu ne te moques pas de moi quand je  
me trompe / Tu me comprends*

*Les gens changent,  
J'aimerais que tout le monde puisse  
aimer comme Toi  
Alors me voilà, lourd de mes péchés,  
l'âme en peine*

*A tous les coeurs brises,  
A tous ceux qui sont tristes,  
Je sais exactement ce que l'on ressent  
seul le soir  
Je pleure*

*N'ayez peur, Dieu est digne de  
confiance, Il prend soin  
Il ressent votre peine et vos larmes  
Il est fort quand tu es affaibli  
Même si tu ne sais pas pourquoi*

*Ne t'inquiète pas,  
Dieu peut vous porter*
